

The CFAA Rental Housing Awards Program was started 2016 to create a stage on which to celebrate excellence in rental housing across Canada.

The CFAA Awards program is open to members of CFAA member associations, direct landlord members, and Suppliers Council members. The pool of applications is comprised of both member association award winners and direct entries from regions in which CFAA member associations do not have related awards.

CFAA is proud to invite the winners from its member associations that have similar awards to enter and compete in the CFAA Rental Housing Award Program. Those associations and their awards programs are:

- Federation of Rental-housing Providers of Ontario (FRPO) - MAC Awards Program
- Professional Property Manager's Association of Manitoba (PPMA) - Awards of Excellence
- Investment Property Owner's Association of Nova Scotia (IPOANS) - Innovation and Excellence Awards

This year, because CFAA's 2018 awards will precede IPOANS' 2018 awards, IPOANS and CFAA have agreed that IPOANS members may submit applications for their Nova Scotia employees and properties directly to CFAA, without the need to have entered the IPOANS awards. CFAA encourages all applicants who fall in this category to enter the IPOANS awards, not just CFAA's.

To apply for an award for a building or person in a given province, your company must either be a member of a CFAA member association, or a direct member of CFAA for that province. To find out what categories you may be eligible to enter, please see the tables below.
