**Rental Housing Industry Compensation & Benefits Survey
ORDER FORM 2021**

The compensation data is to be sent to 3rd Quartile and not to CFAA. However, some rental providers may send data to CFAA accidentally.

By accepting this order, CFAA and 3rd Quartile agree as follows:

1. 3rd Quartile will keep the compensation data of each employee --- and the compensation and benefits data of each company --- confidential, and not disclose it to anyone, including CFAA.
2. CFAA will not disclose any data it may receive of any individual or of any company to anyone, except that CFAA will forward that data to 3rd Quartile for 3rd Quartile to process all the data for the survey.

In contracting to purchase the marked survey report(s), the undersigned rental housing provider agrees to the following terms:

1. We will protect the confidentiality of the survey report(s). In particular, we will not share the contents of the survey report(s) with any unrelated company or person. Companies are unrelated unless they are owned by substantially the same principals or one manages a majority of the multi-residential property owned by the other. In sharing the survey report(s) with related companies or people, we will obtain their agreement not to share the survey report(s) with anyone else.
2. If one or more reports are shared in violation of term 1, we agree to pay CFAA three times the non-participant price for all of the report that were shared, and agree that that amount is liquidated damages and not a penalty.
3. Neither CFAA nor 3rd Quartile is liable for any inaccuracy in the report(s), however caused, including if caused by negligence or gross negligence of either or both of them.
